Skogås Library

# What is Open plus?

Open plus means that you can use a part of the library even when it is unstaffed.

## In order to use Open plus you must:

- be at least 18 years old
- have signed an agreement on using Open plus
- have the Open plus function on your library card
- have your library card with you
- have a four-digit PIN.

## Getting started

In order to use Open plus you need to visit Skogås Library and show your ID. You will be asked to sign an agreement and we will then activate the Open plus function on your library card.

## Getting in

1. Scan your library card – with the barcode facing upwards – under the red light source.
2. Enter your PIN on the keypad.
3. When the light turns green you can enter.
4. Make sure that the door closes firmly behind you.

Note: During Open plus you may only be accompanied by children under the age of 18 years for whom you are the parent or guardian.

## When the library closes

The PA system announces when the library is closing for the day, at which point you must leave the premises. The intruder alarm is switched on automatically after a couple of minutes.

## Conduct and security

During Open plus you must not let in anyone else other than children under the age of 18 years for whom you are the parent or guardian. Tidy up once you are done and take good care of our community library.

## During Open plus you can:

- borrow or return books and other media at the self-service point
- study or read magazines and newspapers
- use computers or the wireless network
- collect books or other media that you have ordered.
